

REMARKS

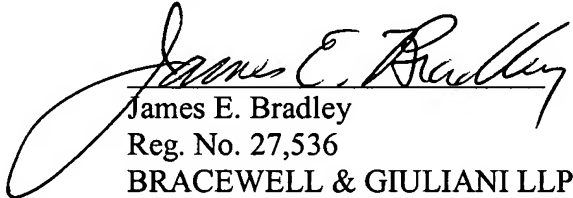

Applicant is re-sending its response mailed July 21, 2006 to the restriction requirement. In the response, applicant elected Group II, cancelled claims 15-24, amended a number of other claims, and added new claims 35-44. Applicant inadvertently mislabeled the status identifiers for claims 28, 34 and 43 and is resubmitting the claims with proper identifiers. Applicant also noticed that the dependencies for claims 43 and 44 erroneously stated "41" rather than "42", and is re-submitting them. Although claims 43 and 44 were new when submitted on July 21, applicant believes the proper status identifier now should still be "new" for claims 43 and 44 because the amendment of July 21 was not entered.

No fees should be due, however, if any are due, please charge them to Bracewell & Giuliani, L.L.P. Deposit Account No. 50-0259 (089988.000002).

Respectfully submitted,
